The 29th International Conference on Computational Linguistics

Invitation Letter

October 05, 2022

Name:	Alymzhan Toleu
Affiliation:	Institute of Information and Computing Technologies
Nationality:	Kazakhstan
Paper Title	Language-Independent Approach for Morphological Disambiguation
Period	Oct. 12-17, 2022
Purpose of visit	To attend and present the paper in the COLING 2022 Conference

Dear Alymzhan Toleu,

On behalf of the organizing committee of the 29th International Conference on Computational Linguistics (COLING 2022), to be held as a Hybrid Conference at HICO, Gyeongju, Korea and Online during October 12 to 17, 2022, we would like to extend our sincere invitation to you.

As you are well aware of, COLING 2022 is a leading international conference for researchers and industry practitioners for sharing new ideas, original research results and practical development experiences from all related areas. COLING 2022 will provide main conference, tutorials, and workshop.

During the conference, significant advancements in all aspects of research, development, and applications will be covered and discussed in presentations. Hence, we truly believe that your participation and support will contribute to the absolute success of the conference.

We certify that you will come to Korea to attend our conference. We thank you in advance for your participation and we look forward to seeing you at COLING 2022 in Gyeongju, Korea.

Sincerely yours,

Key-Sun Choi, Pum-Mo Ryu

LOCAL ORGANIZATION CO-CHAIRS of COLING 2022
